

“You never listen” “You’re being tactless”

- Do people tell you that you don’t listen?
- Are you told you’re not always tactful?
- Do you feel isolated in work?

If this is you, then **you are not alone**

5% of employees in STEM* companies have high functioning Asperger’s yet don’t know it. Understanding how you think and behave can have huge benefits for you and your company.

If you want to improve working relationships, and reduce conflict, then we’d like to help you.
